

Central Pennsylvania Chapter 791 Inc.
Vietnam Veterans of America
P.O. Box 91 Burnham PA 17009

Dear Sir or Madam:

The VVA Chapter 791, with a dedicated group of volunteers, is working to bring the AVTT Traveling Wall to Mifflin County. The wall is an 80% scale replica of the most visited site in Washington DC the Vietnam Veterans Monument.

The 5 day event creates a great forum for the communities to raise local awareness for its Vietnam Veterans. It is a chance to host an event that will raise funds for Vietnam Veterans to help with thier causes in your local community.

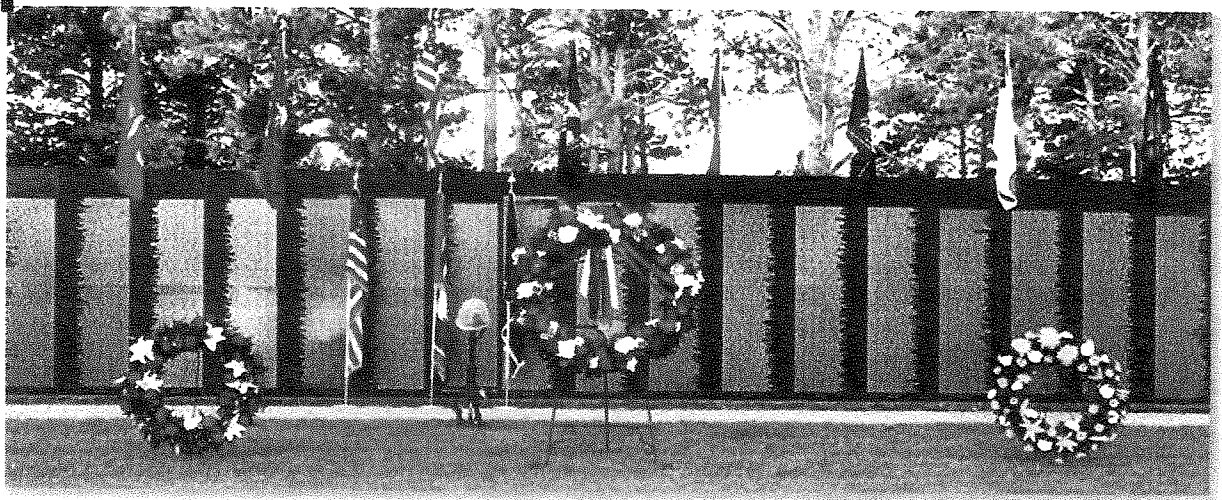

The wall will be escorted into Mifflin County to be set up for viewing on August 7th thru August 11th. Please take part in recognizing and honoring our Mifflin Countys' 17 local heros written on the National Monument.

Since we are a 501c organization, all donations are greatly apreciated and are Tax Exempt . Please accept this letter as a receipt using exemption code 3202.

Thank you for your support:

George Baughman Chapter 791 President
