Dear Teresa:

Starting in January 2021 through April 2021, PennDOT will be contracting with Drive Engineering, Inc., French Engineering, LLC, and Tri-State Traffic Data, Inc., vendors of the Department of Transportation's Highway Safety and Traffic Operations Division, to collect traffic data on municipally owned roads within your county and municipality (ECMS Contract No. E04834). The data collected will be utilized by the Department to complete a statewide network screening and prioritize locations for potential safety improvements. The traffic counters will be set in your municipality between January 2021 and April 2021 and are not being set for any road project or speed trap. Please share this information within your municipality.

Should you have any questions or concerns, please contact Jason Herschok Manager, Safety Engineering and Risk Management Unit, at 717.705.1437.

Sincerely,

A handwritten signature in black ink that reads "Gavin E. Gray". The signature is written in a cursive, slightly slanted style.
